## **Job Opportunities** **Expert Tutor**

### **You need:**

- Respect from motivated students
- A positive atmosphere
- The chance to grow from a part-time position to a career-level opportunity
- Freedom to be creative and work with a dynamic team
- To work afternoon and/or evening hours helping students reach their potential.
- To be a driving force of an innovative tutoring company with unlimited growth potential.

### **We want:**

- A personable, skilled educator
- An educator able to work with North San Diego County students
- A candidate holding advanced degrees and certification
- Proven competence in higher level math and science
- A generalist who can teach 5-12<sup>th</sup> grades
- A minimum of two years recent teaching experience
- A person who wants to create a place for themselves in our company
- Someone who is eager to share their expertise as well as learn ours
- Leadership, Commitment, Integrity & Competence

### **We are also interested in:**

- Very highly qualified S.A.T. Instructors
- A highly skilled College Advisor with proven competence in:
  - Admission Application Strategies & Essay Critique
  - SAT & ACT Strategic Preparation
  - College Selection and Academic Review
  - Personal Interest & Skill Assessment
  - Financial Aid Strategies and Affordability Counseling

### **Our offer:**

A rewarding career and exciting future with a growing company in an exploding industry: supplementary education. Look over our website @ [www.StudyDepot.com](http://www.StudyDepot.com) to get an idea of who we are and how we do business. We want to make sure this is a good fit for you and Study Depot.

**Now**...if you are a dynamic teacher who enjoys working with average to above-average students, understand that all of our work is in North San Diego County, and are confident you can bring out the best in a wide range of children, we would like to meet you.
